**OFFICE ACTION MAILED 06/29/2005**

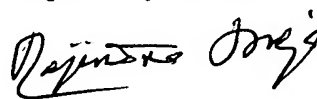

Sir:

We are unable to respond to this Office Action because clarification is needed on pending claims in this application, as the statement therein "Claims 1-75 are pending in the application", is not correct.

It is respectfully submitted that the pending claims in this application are claims 53-63 and claims 66-97. We would appreciate it if Examiner Kishore would prepare another correspondence to clarify this discrepancy.

The Inventor and Assignee, Rajindra Aneja is also the Director of Nutrimed Biotech; and acting on his own behalf. Should Examiner Kishore have any questions or comments, a telephone call to the undersigned applicant is earnestly requested.

Respectfully submitted,

A handwritten signature in black ink, appearing to read 'Rajindra Aneja', written in a cursive style.
